

TOPKEY Report (4536)

Topkey Corporation 2026 Q2

Alan Chen - Chief Marketing Officer (CMO)

MILESTONES

Integrity, Diligence, Innovation, Gratitude
Leading Excellence in Carbon Fiber Composite Application & Technology

Initiation & Stabilization

1980 - 1989

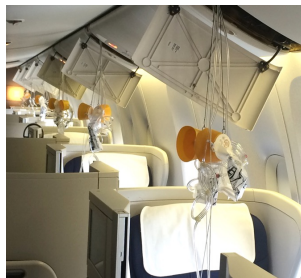

- Started with tennis racket business
- Self-developed high performance resin matrix
- Self-research impregnation process
- Subsidiary - Keentech Composite Technology (Xiamen, CN)

Business Transformation

1990 - 1999

- Diversified into bike and helmet business
- Acquired and renamed - Composite Solution Company (Seattle, US)
- Subsidiary - Yu-Quan Technology (Xiamen, CN)

Business Upgrading & Innovation

2000 - 2009

- High-valued expansion into aviation and medical parts business
- Self-developed resin matrix passing aviation FST/HRR flammability test for interiors
- Subsidiary - Xin-Hong-Zhou and Yun-Fu Co. (Xiamen, CN)

Corporate Culture Development

2010 - 2019

- Established Topkey Foundation for CSR
- IPO (4536) as a listed company in Taiwan
- Self-developed thermoplastic resin
- Subsidiary - Topkey Vietnam (Binh Duong)

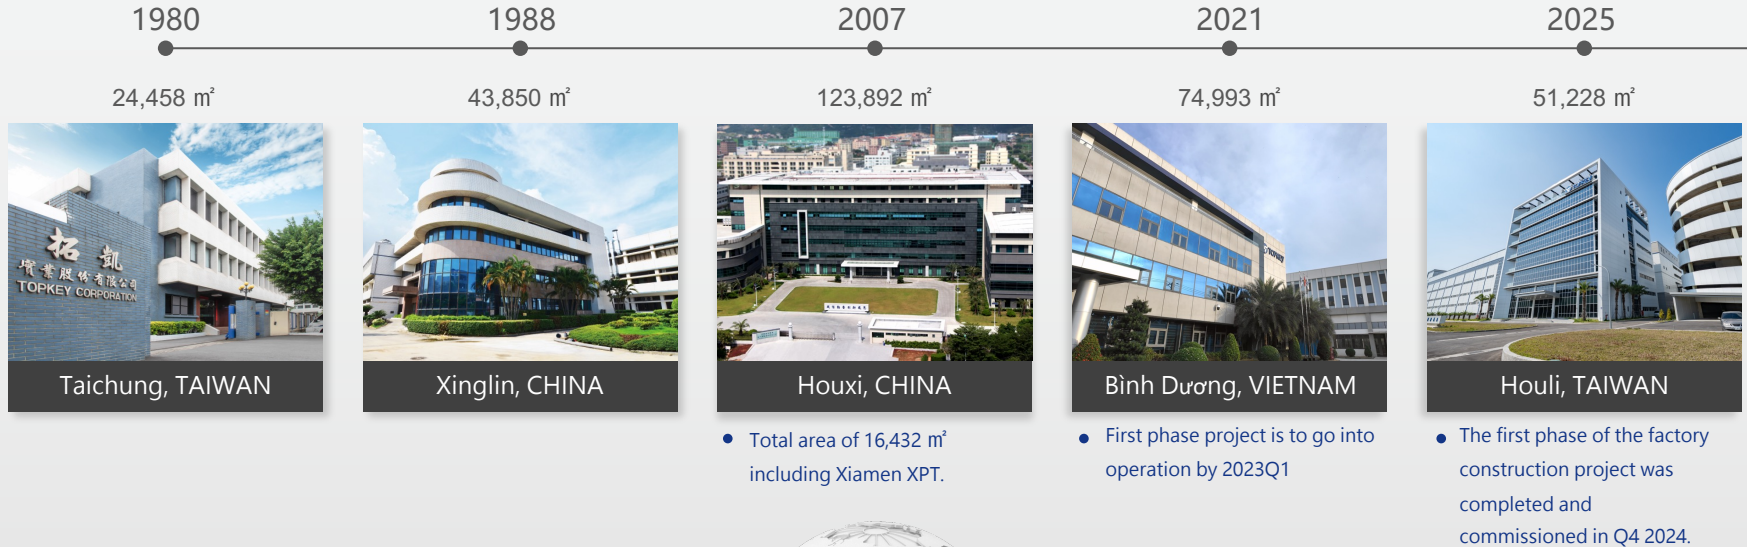

Sustainable Materials & Manufacturing

2020 - 2029

- New expansion - located at the Central Taiwan Science Park (Taichung)
- Sustainable development

Global Operating Locations

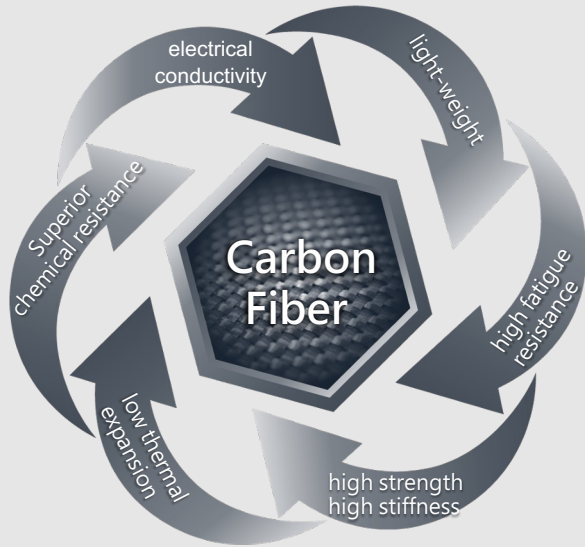

NEW CONSTRUCTION Houli Plant

The first phase of the factory construction project was completed and commissioned in Q4 2024.

EXCELLENCE in COMPOSITES

Superior mechanical, thermal and electrical properties

Most efficient lightweight material to use as alternative to conventional metals for numerous structural uses.

Total Customer Solutions

- With its high level of vertical integration capability, TOPKEY successfully demonstrated the total composite solutions for customers' needs.
- Thermoset Composites: Offer high rigidity and are ideal for complex geometric components.
- Thermoplastic Composites: Enable automated mass production, secondary processing, and eco-friendly green material applications.

BUSINESSES

Racket

Precision

TOPKEY has achieved its remarkable success
in a wild range of products for composite industries.

EXTERNAL ENVIRONMENT FACTORS

- US-China trade war
- Economy is waiting for recovery
- Russian invasion of Ukraine
- Rising raw material costs
- Inflation and large fluctuations in international exchange rates

Continued growth in demand for leisure and sports

Photos sourced from internet

Leisure and Sports - BIKE

- *Being a valuable carbon fiber bike part manufacturer to the top players in the global bicycle industry.*
- *Rising demand for bicycles all over Europe driven by increasing urbanization, congestion and sustainability, according to major customers.*
- *Offering high flexibility with operation bases in different regions for frame-set and rim production.*
- *Providing customers with composites expertise for key performances required to achieve market trends.*
- *Promoting one-stop-service with manufacturing and sub-assembly.*

2025 UCI Mountain Bike World Championships

PROGRESS UPDATE - Aviation and Medical

- Air transportation industry recovery remains uneven. Domestic RPKs pause but international RPKs accelerate.
- Boeing and Airbus have delivered 216 and 295 aircraft, compared to 156 and 297, respectively, in the first half of 2022.
- Some new designs shape the premium space onboard on new single aisle to enhance the passenger experience.
- Describing the policy set by China 's Two Sessions and 14th Five-Year Plan, demand for imaging equipment remains increasing, especially CT tomography scanner.
- In addition to EU and US brands, seeing more China government owned manufacturers found for medical imaging equipment.
- For carbon fiber composite tabletop, TOPKEY is aiming for higher market share in the advanced medical imaging equipment.
- Invited by main customers to participate in the new design work for C-arm products.

TOPKEY FOUNDATION Social Participation

Greater Taichung Corporate Volunteer Day

Topkey held the Great Taichung Corporate Volunteer Day to promote corporate social responsibility and encourage employee participation in volunteer services. Since its inception in 2012, the event has successfully engaged businesses in central Taiwan to drive employee volunteerism. In 2024, the annual assembly was hosted by Taichung City Government, featuring a seminar on "The Influential Impact of Great Taichung Corporate Volunteers."

TOPKEY Little Sun Volunteer Activities

Chairman Shen of Topkey actively practices social care and gives back to society, inspiring employee volunteers, fostering teamwork and harmony within the company, and cultivating a harmonious corporate culture. In 2024, in partnership with Tzu Chi, relief efforts for the Hualien earthquake were organized through charity sales. The company continues to lead beach clean-ups, family service days, and other initiatives to support the community.

Supporting Relief with Love and Promoting Rural Development

With a focus on helping marginalized households and vulnerable families, Topkey and its Education Foundation provide assistance to those in need, mobilizing volunteers to distribute essential supplies. Chairman Shen Wen-zhen donated NT\$1 million to the Taoyuan City Government during the 2024 Great Taichung Corporate Volunteer Day to support welfare programs and rural development in disadvantaged areas. Mayor Zhang Shan-cheng expressed gratitude and pledged to utilize the funds to enhance social welfare, highlighting the importance of corporate volunteers as a significant force for positive social change.

TOPKEY FOUNDATION - Social Participation

Taiwan Hualien Earthquake Charity Fundraiser

- On Sunday, April 21, 2024, Tzu Chi and the Taichung City Government jointly held a fundraising and charity sale event to support relief efforts for the Hualien earthquake.

TOPKEY FOUNDATION - Social Participation

2025 Taichung corporate Volunteer Day

Donating NT\$2 million to the Taichung City Social Affairs Bureau.

Donated to 18 social welfare organizations

TOPKEY FOUNDATION - Social Participation

2023 Achievement sharing of Volunteer

- 25 companies, 23 Social welfare organizations
- Total 300 participants

2022 Achievement sharing of Volunteer

- 30 companies, 10 Social welfare organizations
- Total 300 participants

2021 Corporate Volunteers Deliver Love and Supplies

- 23 companies, 455 volunteers
- sent supplies to vulnerable household.

2020 Achievement sharing of Volunteer

- 20 companies, 600 volunteers
- 15 Social welfare organizations, 600 service objects
- Total 1,200 participants

2019 Hundred People River Cleanup

- 46 companies, 700 volunteers

2018 International Flora Exposition Expo Site

- 46 companies, 567 volunteers
- 12 Social welfare organizations, 504 service objects
- Total 1,071 participants

Taichung corporate volunteer day 2012~2023

2017 Citizens' Square Garden Party

- 60 companies, 850 volunteers
- 43 Social welfare organizations, 830 service objects
- 46 park tour booth, 300 volunteers
- Total 2,000 participants
